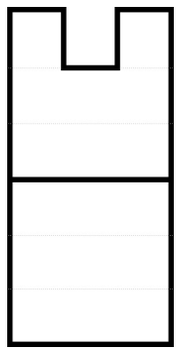
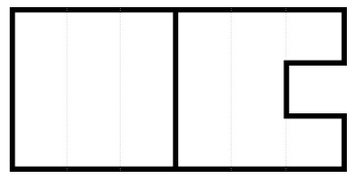
Dissolving My Own Selfishness





EVAPORATING: SKY, POOLING WATER UP TO HEAVEN

When I am sky being, water pooling;

Then I am joining myself to virtue and extending joy to others.

Inside, I am sheltering in the wisdom of heaven's leading impulse (setting up safeguards and prohibitions to protect my contentment); and

Outside, I am harvesting in the produce of earth’s heavenly yield (receiving the produce of a joy that has a propensity to diminish).

SPREADING HUMIDITY: HEAVEN, AND A WIND LOWING TO ENCOUNTER EVERYTHING BENEATH IT

When I am wind and trees lowing in the wind and sky being;

Then I am applying the influence of being led by heaven and yielding heaven on earth without ever avoiding anyone or anything.

Inside, I am expanding toward heaven's leading impulse (revealing and applying heaven’s order and decrees); and

Outside, I am guarding against the overextension of earth’s heavenly yield (resourcefully bringing the way of heaven and earth to its full development).
